JORIES ANTON V. CONDAT

JUNIOR FRONTEND DEVELOPER | REACT & TYPESCRIPT

Philippines | 0951116138 | joriescondat0@gmail.com | GitHub: github.com/jories10

PROFESSIONAL SUMMARY

Entry-level frontend developer and BSIT graduate with hands-on experience building and publishing web landing pages using HTML, CSS, JavaScript, Sass, Git, and GitHub. Currently developing skills in React, TypeScript, and Tailwind CSS, with a focus on reusable components, maintainable code, responsive interfaces, and accessible user experiences. Eager to contribute to a development team, learn established workflows, and grow through practical frontend development.

TECHNICAL SKILLS

Core: HTML5, CSS3, JavaScript, React, TypeScript, Tailwind, Sass/SCSS, Git, GitHub

Development Practices: Responsive web design, semantic HTML, reusable styling, component-based UI concepts, debugging, browser testing, version control

SELECTED PROJECTS

BurgerCraft — Burger Landing Page | Live Demo

- Built and published a restaurant landing page featuring navigation, menu/product cards, calls to action, and an order-oriented interface.
- Used HTML, CSS, and JavaScript for page structure, styling, and client-side interactions; managed source control with Git and GitHub.
